---	---

5th November 2019

To: All Members of the Parish Council

Dear Councillor,

I hereby give notice that a meeting of Etton Parish Council will take place at **7:30pm, MONDAY, 11th November 2019** in the Village Hall, Main Street, Etton, HU17 7PG. The Agenda is as set out below.

Members of the public and press are welcome to attend and may raise issues with the Council in the Public Participation period, which will take place before the meeting starts.

Yours sincerely

Clerk to the Parish Council

A G E N D A

Public Participation - To receive any questions / issues from the public

1. To receive any apologies for absence.
2. To record declarations of pecuniary and non-pecuniary interests by any member of the Council in respect of the agenda items below.
3. To receive and sign the Minutes of the Parish Council Meeting, held on Monday 9 September 2019, as a true and correct record.
4. To hear outline proposals from Mr Ralphs on potential housing development on Main Street, Etton
5. To receive an update from and raise any issues with Ward Councillors
6. To receive an update from the Clerk.
7. To receive any resident's feedback received by Councillors.
8. To receive the following correspondence:
 - i. CHCP, Offering free defibrillator training
 - ii. Humberside Police, Newsletter.
 - iii. Humberside Police, Information on Community Speedwatch Scheme

- iv. ERYC, Jetting of drains on Cherry Burton Road completed
- v. ERYC, 5 year review of polling station locations.
- vi. ERYC, Review of Town and Parish Council Allowances
- vii. ERYC, Approval of Planning - Snilsworth Cottage, 93 Main Street, Etton
- viii. ERYC, Unable to place signs/double yellows on the B1248 Etton slip road to prevent parking.
- ix. ERYC, Approval of Planning for Erection of boundary wall, St Marys Lodge Main Street Etton
- x. ERYC, Inviting topics for Scrutiny Committee
- xi. Bruno Peake, 75 Year VE Day Celebration – 8 May 2020
- xii. Approval of Planning for Variation of Conditions, High Farm 113 Main Street Etton
- xiii. ERYC, Positive Activities Grant
- xiv. ERYC, Cabinet Newsletter

- 9. To receive an update on the village pond project – Councillors Gibbs and Stott
- 10. To discuss flooding risk – Councillor Wright
- 11. To discuss the Information provided to villagers on planning applications – Councillor Yeo
- 12. To agree arrangements for the village Christmas tree – Councillor Holmes
- 13. To review the distribution route for the village newsletter – Councillor Holmes
- 13. To approve schedule of accounts for payment
- 14. To receive agenda items for the next Parish Council meeting on the 13 January 2019.

ETTON PARISH COUNCIL

9 September 2019

PRESENT: Councillors Holmes (Chair), Armstrong, Bell, Gibbs, Sleight, Widd, Wright and Yeo.

Ward Councillors Beaumont and Greenwood.

Apologies were submitted from Councillor Stott.

Clerk: Alan Bravey.

The meeting was held at the Village Hall, Etton.

64/19 DECLARATIONS OF INTEREST – There were no declarations made.

65/19 MINUTES OF PREVIOUS MEETING – Resolved – that the resolution from minute 55/19 should be reworded to clarify Councillor Stott's and Gibbs roles in relation to the pond bid, and that the meeting minutes should then be approved as a correct record and signed by the Chairman.

66/19 WARD COUNCILLOR UPATE – Councillors Beaumont and Greenwood provided an update from East Riding of Yorkshire Council. They advised that they had spoken to Council officers regarding the hazard on the B1248, but the officers remained of the view that there were no further works that could be undertaken at the junction. It was recommended that the Parish Council gathered evidence on near misses and send it to the Police and Crime Commissioner and the Ward Councillors who sit on the Safer and Stronger Committee. The meeting also discussed using the community speed watch to tackle the problem of speeding lorries during harvest time. It was agreed to scope community interest in the scheme in the next newsletter.

67/19 CLERK UPDATE – The Clerk advised that Cllr Gibbs had submitted an outline funding proposal to the Heritage Lottery Fund and that an appointment had been made with a lottery advisor for feedback on the application on the 13th September. The Council's application for the "Year of Green" fund had been unsuccessful and a decision had not yet been received on the Sancton Wind Farm Fund application. Following consultation of Councillors by email, the Clerk had submitted comments of no objection to an application to fell a cherry tree, York House, Templar View and to a retrospective application to install an internal wall at Snilsworth Cottage, Main Street.

68/19 COUNCILLOR UPDATES – Councillor Holmes commented on the successful celebration event held at the Parkway Cinema to commemorate the 50th year of the Processed Pea. The Process Pea had been held in the Light Dragoon throughout that period and the Folk Club was as popular now as when it began in the Sixties. Councillor Holmes thanked founder Councillor Bell for his tremendous achievement and for the Processed Pea's contribution to life in Etton. On other issues, Parish Councillors raised a number of issues to be raised with East Riding of Yorkshire Council. It was noted that lampposts had been painted, but in matt rather than gloss, and that village benches had also been painted.

Resolved – i) that the Clerk would chase up the overgrown hedge on Cherry Burton Road, report the damaged manhole cover on Main Street near to Laburnum Farm, request replacement bollards for those damaged at the West End of the Village, request an update on the footpath works at the West End of the Village and request a road sweep of the village ii) that the Council note that Cllr Holmes had repaired the damaged bench on Warter Road.

69/19 CORRESPONDENCE – Councillor Holmes reported that following a meeting with East Riding of Yorkshire Council, a number of additional bus stop signs had been proposed and that ERYC had agreed to discuss these further with the bus operators. The Council noted that a resident had been advised of a change in bus stop locations, however, this was not connected to this piece of work, which only proposed additional signage.

Resolved – i) that the following correspondence should be received by the Council:

- a) ERYC, Invite for Parish Councillor to join Standards Committee
- b) ERYC, Bus Stop Update
- c) ERYC, Bid for Year of Green Action Funding Unsuccessful
- d) Orsted, Hornsea 4 Project Consultation
- e) Police Crime Commission, Summer Newsletter
- f) Cllrs Owen and Evison, Parish Councillor Newsletter
- g) ERYC, Planning Notice of Decision: Approval for removal of Cherry tree, 2 Templar View Etton East Riding Of Yorkshire HU17 7FG. No objection.
- h) HWRCC, Invite to Community Led Housing Seminar
- i) Police Crime Commissioner, Invite to Meet the Commissioner

ii) that the Clerk request that the quarterly newsletter is distributed through the Clerk rather than directly to Parish Councillors iii) the Parish Council had no objection to the Hornsea 4 project.

70/19 VILLAGE TASK FORCE – The Council discussed the very positive work carried out by the Village Task Force under the stewardship of former Councillor Dicconson and expressed a desire to continue to support the initiative if another volunteer could be found to lead the work. It was also felt that residents could do more to keep the area outside of their own house tidy.

Resolved – i) that the Council would try and recruit a new Village Task Force co-ordinator and ii) an article in the newsletter would ask residents to help keep the village tidy.

71/19 TO CONSIDER PLANNING APPLICATION VARIATION OF CONDITIONS 2 (LANDSCAPING), 11 (MATERIALS) AND 17 (APPROVED PLANS) OF PLANNING PERMISSION 17/03660/VAR (VARIATION OF APPROVED PLANS FOR CONVERSION OF FARM BUILDINGS TO TWO DWELLINGS) TO ALLOW FOR ALTERATIONS TO DESIGN AND TO DISCHARGE CONDITIONS 2 AND 11 (PART RETROSPECTIVE APPLICATION) | HIGH FARM 113 MAIN STREET ETTON EAST RIDING OF YORKSHIRE HU17 7PG

Resolved –that the Parish Council had no objections to this application.

72/19 CAR PARKING, B1248 ETTON JUNCTION – Councillor Wright reported that she had observed cars parking on the B1248 slip road into Etton on a number of occasions recently.

Resolved – that the Clerk would report parking in the B1248 Etton slip road to East Riding of Yorkshire Council and request they consider additional road markings.

73/19 TRAFFIC ISSUES ON CHERRY BURTON BRIDGE – Councillor Armstrong reported that she had observed cars travelling over the Cherry Burton Bridge too fast and in the centre of the road, presenting a risk to oncoming cars, cyclists, horse riders and pedestrians. It was noted that there were already a considerable number of warning signs on the approach to the bridge and it was felt that these were more distracting than helpful.

Resolved – that East Riding of Yorkshire Council should be requested to review the number of road warning signs on the approach to Cherry Burton Bridge.

74/19 EVENTS AT THE VILLAGE HALL – Councillor Holmes commented that the number of events held at the village hall that brought all the village together had decreased over recent years. Councillors Gibbs and Wright sit on the Village Hall Committee and said that this correlated with a reducing number of volunteers willing to take part in the committee and

arrange events, and a general apathy of residents in attending events. It was noted that the primary purpose of the Village Hall Committee was to generate income to maintain and operate the hall so that it was available for members of the community to book and use. This was primarily achieved by the regular coffee mornings, where very few Etton residents actually attended.

75/19 ITEMS FOR THE VILLAGE NEWSLETTER – Resolved – That in addition to the usual items, the reporting of near misses on the B1248, the parish emergency plan, a request for volunteers to lead the village task force and a safety notice for the Cherry Burton Bridge should be included in the next newsletter.

76/19 REVIEW WELCOME TO ETTON NEWSLETTER – Resolved – that Parish Councillor contacts in the Newsletter and noticeboard should be updated.

77/19 ACCOUNTS FOR PAYMENT - Resolved – that the following accounts should be approved for payment:

Description
Clerk - Salary September and October - £107.92
HMRC, PAYE September and October - £71.20
Neil Wenn, Paint / Restore Bench - £60
Environments for people LRD, Pond depth survey and wildlife survey - £528
Royal British Legion, Donation to Wreath - £30

78/19 FUTURE AGENDA ITEMS - The next meeting of the Parish Council would take place on the 11th November 2019 at 7:30 pm.

Signed: _____

Dated: _____

Etton Parish Council Correspondence Record

9 September to 4 November 2019

The Clerk will circulate correspondence when considered appropriate. If Councillors would like to see a copy of correspondence that has not been circulated, please notify the Clerk on ettonpc@outlook.com on 07932 016856.

Parish/Town News⁹ Release

2. Crime issues of particular note

The following list shows some of the crimes that have occurred in the previous month in your area.

- Two reports of vehicle related crime during August, one of which involves person's approach a secure parked car on driveway in Walkington and break rear windscreen by unknown means before making off. If anyone has any intelligence this can be submitted by calling Crime Stoppers 0800 555 111 or Humberside Police 101.
- Three business burglaries last month, one of which was an attempt involving person's approach Fir-Trees Kindergarten, places his bike against railings of the nursery before climbing over. Suspect once inside removes bolts from the gate and then tries the door handle to nursery after viewing contents through window with a torch. If anyone has any intelligence this can be submitted by calling Crime Stoppers 0800 555 111 or Humberside Police 101.
- One report of arson last month which involved youths setting fire to the woods and Cherry Burton playing fields. If anyone has any intelligence this can be submitted by calling Crime Stoppers 0800 555 111 or Humberside Police 101.

3. Community Priorities

Op Galileo

Officers from across the East Riding of Yorkshire are now preparing for the start of wildlife offences and poaching across the ward area. Now that harvesting is coming to an end and land work well under way we see an increase in poaching offences. Officers will be using intelligence, new equipment and volunteers in helping to identify offenders and obtaining evidence to form prosecution cases.

Burglary

Operation Gallant continues to run across the region. Neighbourhood watch is a deterrent and brings communities together, for information relating to the scheme please visit your local station. The team are always keen to allay the fear of crime and will continue to analyse trends and intelligence to ensure the community remains safe. Please remember that it is the fear and the very notion of invasion that affects us with regard to burglary. Don't leave your windows open, look after each other protect your neighbours in particular the elderly and vulnerable. If you see anything report it no matter how trivial you may think it is at the time, it may well be that your piece of information has significant impact.

4. Crime Reduction Advice

Anti-social behaviour covers a wide range of unacceptable activity that causes harm to an individual, to their community or to their environment. This could be an action by someone else that leaves you feeling alarmed, harassed or distressed. It also includes fear of crime or concern for public safety, public disorder or public nuisance.

Examples of anti-social behaviour include:

Nuisance, rowdy or inconsiderate neighbours

Vandalism, graffiti and fly-posting

Street drinking

Environmental damage including littering, dumping of rubbish and abandonment of cars

Prostitution related activity

Begging and vagrancy

Fireworks misuse

Inconsiderate or inappropriate use of vehicles

The police, local authorities and other community safety partner agencies, such as Fire & Rescue and social housing landlords, all have a responsibility to deal with anti-social behaviour and to help people who are suffering from it.

If you are experiencing problems with anti-social behaviour, or have any concerns about it, or other community safety issues, you should contact your local council or call the non-emergency number, 101. In an emergency, call 999.

WE LISTEN, WE ACT, WE DELIVER

NEWSLETTER FROM EAST RIDING COUNCIL'S CABINET OCTOBER 2019

This is the first quarterly Newsletter produced by East Riding of Yorkshire Council's Cabinet aimed at providing you with updates on topics both area wide & local that may be of interest.

We are sending to you as someone with a direct interest in the East Riding, as a business person, a community volunteer, a town or parish councillor or just a resident who wants the best for the area.

The Council's leader appoints his Cabinet of up to ten portfolio holders, (see last page of this newsletter) each of whom takes a lead responsibility, or portfolio, for specific areas of the Council's operations, and collectively through dialogue with the Council's directors and senior managers agree the priorities, budget and direction of travel for the Council to be agreed by elected members.

We hope to include items of interest to update, inform and describe some of the issues and challenges facing us all in delivering quality services our residents demand and expect.

*(NO council funding has been used in the production of this newsletter
Please send any feedback/comments to cabinetnewsletter@outlook.com)*

What are the Council's priorities?

With the increasing pressure on budgets, it is more important than ever that we focus on things that matter most in the East Riding. We have five corporate priorities to ensure we gain the most use of our limited resources.

These are;

GROWING THE ECONOMY – working with others to support sustainable economic growth and strong communities, ensuring the East Riding is a great place to invest in, live, work and visit.

VALUING THE ENVIRONMENT – Responding to climate change, developing our infrastructure and safeguarding our heritage.

PROMOTING HEALTHY LIFESTYLES – Helping people to stay healthy, strong and fit for the future.

PROTECTING THE VULNERABLE – Supporting in times of need, protecting from harm and improving the quality of life.

HELPING CHILDREN AND YOUNG PEOPLE ACHIEVE – Supporting and inspiring children to raise their aspirations and reach their potential.

TOURISM

The East Yorkshire coastline, the Yorkshire Wolds and the beautiful open countryside & Market Towns continue to be big attractions & growing numbers of visitors come to our area each year to enjoy the East Riding of Yorkshire.

Tourism was valued at bringing in £565 million to this area in 2017 & we expect that number to grow when the figures are updated later this year. The quality of accommodation & variety of attractions on offer have grown in recent years and East Riding of Yorkshire Council plays its part by offering a dedicated tourism team to offer support to businesses & provide a variety of events & activities for visitors throughout the area.

These are examples of 3 events provided over the summer

The "Wildlife Photographer of the Year" exhibition in the Beverley Art Gallery, with over 100 magnificent wildlife photographs together with sculptures by award winning artist Emma Stothard. The exhibition was free of charge and offered until mid-September.

Along the seafront from Bridlington to Withernsea, "Active Coast" provided a range of sports, arts, environmental and family-fun activities right through until the end of August. Again, all events were free of charge.

In addition, ERYC supported "Yorkshire Wolds – Walking and Outdoors Festival" from September 7th to 15th. Numerous walks and related events organised by ERYC and local groups took place in many different locations (some free, some with a small charge).

TACKLING YOUTH OFFENDING

The East Riding Youth Offending Service (YOS) has recently been judged by inspectors to be outstanding and was awarded the maximum marks. The YOS works with young people aged 10-17yrs that have been found guilty of a criminal offence, part of their work can include Reparation (commonly known as community payback or unpaid work). Within the youth arena the YOS works with young people doing reparation on a one to one basis with trained workers and generally work between 1-4hrs at any one time with a young person dependent upon their needs.

The work must be giving back to the community, so cannot be for a business or any financial gains, also where possible the aim is to empower the young people with skill sets such as painting, planting/ gardening, woodwork skills, baking skills (for events), assistance at events - setting up, putting down, being a runner on the day. The YOS is very much open to ideas as to work opportunities.

With the East Riding of Yorkshire being so vast it is important that there are opportunities across the East Riding, albeit this does mean that the work may not be completed imminently, but where best the YOS tries to accommodate.

If you have any suggestions, questions or queries, please contact Sarah Sherwood via email address sarah.sherwood@eastriding.gov.uk

CHILDREN'S HEALTH

The prevalence of obesity or children that are overweight in the East Riding of Yorkshire in 2017/18 has been measured at its lowest rate since the National Child Measurement Programme was introduced in 2006/7.

With statistics in the East Riding being lower than the national average and placing us 2nd in the country for Reception children and 21st for Year 6 pupils.

It is important to note that the proportion of East Riding children being measured is one of the highest levels of coverage in the country. As of the 19 July 2019, 98.9% of the current years Reception age children and 97.8% of Year 6 children had been weighed and measured equating to 6715 in number and across 124 primary schools. This comprehensive data helps us understand the overall effectiveness of our attempts to reduce children's overweight, obesity and excess weight prevalence and further improve the long-term trends.

The evidence shows that overweight and obese children are likely to stay overweight or obese into adulthood and are at higher risk of developing non-communicable diseases like diabetes, cardiovascular diseases and some cancers as well as their related diseases that are largely preventable at a younger age. Prevention of childhood obesity therefore is a high priority in East Riding of Yorkshire.

So, this remains a clear priority for us and something that we all will continue to work at with parents and carers and with schools through the Healthy Schools Awards programme and effective use of the Sports Premium.

www.happyandwell.me

A 'Go To' website for answers to questions on Health & Wellbeing.

Sometime ago discussions took place about how the council could help the thousands of micro business who operate in the East Riding with advice and guidance on looking after the health & wellbeing of employees.

It was decided the best way to make information accessible was to produce an easy to use website that would provide guidance & advice on a wide range of topics.

We then decided this would be useful to all residents not just businesses and as a result the happyandwell.me website has been developed and launched.

The Councils Public Health team have spent the last 2 years working with local health partners on the production of the new website which can help everyone connect to ways to improve their health and wellbeing or get information on a variety of health-related issues.

From information about various conditions from cancer to dementia, for information on hobbies and exercise through to transport, the web site is a wealth of information to allow everyone to find ways of improving their health and wellbeing.

Logon to www.happyandwell.me to access the site for a wealth of information

CAPITAL INFRASTRUCTURE INVESTMENT

Work on a major scheme to transform a congested section of the A164 between Beverley and the Humber Bridge is reaching its next stage.

The construction of two new roundabouts to relieve congestion and improve road safety at the junction of the A164, Great Gutter Lane and Riplingham Road began in March.

The existing staggered crossroad junction where Great Gutter Lane West and Riplingham Road East meet the A164 causes long queues and congestion particularly at peak times. To address these issues the council is progressing a scheme to replace the two priority junctions with two roundabouts.

The scheme is being funded following a successful £3 million bid to the Department for Transport for Transport's National productivity Investment Fund with the remaining funding for the £4.26 million scheme provided by the council.

The work is scheduled to be completed by Christmas of this year and will include;

- Construction of a new four-arm roundabout on the A164 at its junction with Riplingham Road East
- Construction of a new three-arm roundabout on the junction of Great Gutter Lane, Swanland Dale and Riplingham Road.
- Construction of a new link road between the two roundabouts
- The closure of Great Gutter Lane West between Swanland Dale and the A164 junction
- New fencing, lighting and landscaping

Work already completed includes the extensive diversion of water mains. Work by KCOM to divert their cable network in the area is continuing.

CLIMATE CHANGE

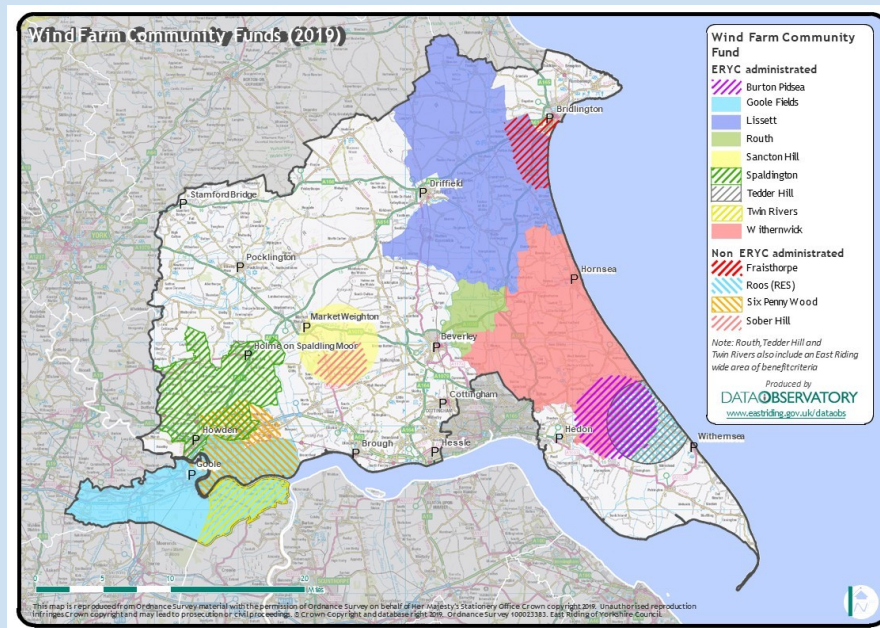

We hear stories of the impact of Climate Change on a daily basis and East Riding of Yorkshire Council is and always has been committed to protecting the environment for our residents today and for generations to come even employing a team of officers for that very work. There is not one simple step to take that can solve this problem, but what is important is East Riding of Yorkshire Council members and officers are all aware of climate change risks, what is being done and more importantly how each can play their part.

Plans to Review what we can do collectively in the East Riding are well under way, our review will provide us with a sound understanding of what has already been done, where we are now and what our direction of travel needs to be to ensure we are all playing our part locally & also in line with National Policies.

WINDFARMS

East Riding has windfarms which cover a large part of the countryside. Each windfarm operates under a legal agreement decided when planning approval was agreed and the annual funds associated with each windfarm are administered by a panel of local people. Below is a list of the windfarms.

Fund Name	Supplier	£ Income 2018/19	Areas of Benefit
Burton Pidsea Community Wind Farm Fund	Ener-giekontor	20,400.00	Wards of Mid Holderness, North Holderness, South East Holderness and South West Holderness, with a preference for appropriate initiatives within the proximity of the development.
Routh Wind Farm Community Fund	J. Laing/HCP	40,786.54	The East Riding of Yorkshire with a preference for applications for projects within the proximity of the wind farm.

Goole Fields 2 - Innogy East Riding Fund	Innogy	50,000.00	ER wide (in development).
	Total Income	550,885.98	

LOCAL ENTERPRISE PARTNERSHIPS

In England, local enterprise partnerships (LEPs) are partnerships between local authorities and businesses set up in 2011 by the Department for Business, Innovation and Skills to help determine local economic priorities and lead economic growth and job creation within the local area. They carry out some of the functions previously carried out by the regional development agencies which were abolished in March 2012.

East Riding of Yorkshire Council is currently a member of two LEP's and takes an active part in each with elected member and council officer involvement. In simple terms LEP's unlock the door to millions of pounds worth of funding by prioritising and putting forward bids for government funding.

The two LEP's the East Riding is a member of together with their website contact details are;

Humber LEP www.humberlep.org/

York, North Yorkshire and East Riding LEP www.businessinspiredgrowth.com

Both websites contain a wealth of detail on how they operate and their priorities.

LOVE YOUR HIGH STREET

In this year's Council budget it was agreed that £1.4 million be made available to help communities revive town centres, through a project called 'Love your High Street'. The funding is to be offered to 13 principal East Riding Towns over the next three years. It will be paid as a 50% match funded grant of up to £5000.

There is also a minimum grant of £500 from smaller schemes.

The main criteria for Love Your High Street, learning from previous schemes, is to get equal 'buy-in' from the business community for projects aiming to;

- Help reduce empty high street property
- Bring greater footfall on a sustainable basis to the High Street
- Encourage community involvement and participation

No two towns are alike and we know from experience that given the opportunity local businesses and organisations have some great ideas about what change needs to happen to create thriving High Streets. We are confident our funds will help them achieve some successful solutions.

YOUR CABINET MEMBERS

Cabinet Members (l-r)

Councillors;

Chris Matthews - Strategic management

Shaun Horton - Tourism, Culture and Leisure

Jane Evison - Local Economic Growth and Prosperity

Vanessa Walker - Adult and Carer Services

Jonathan Owen - **Deputy Leader** – Strategic Partnerships, Health, Public Health, Policy development, Transformation and Performance

Richard Burton –**Leader of the Council** -Key Strategic Issues, Communications and Finance

Julie Abraham - Children, Young People and Education

Mike Stathers - Enhancing Communities

John Dennis - Community Involvement and Council Corporate Services

MEMBERS' ALLOWANCE SURVEY

INTRODUCTION

East Riding of Yorkshire Council's Independent Remuneration Panel called the Members' Allowances Panel, consists of four independent members who reside in the East Riding. One of the roles of the panel is to make recommendations about the allowances which can be paid to town and parish councillors.

The Panel is currently reviewing the allowances for town and parish councils and would welcome your views as to whether allowances should be paid and if so, what would be a reasonable amount. This questionnaire should only take a few minutes to complete.

In accordance with The Local Authorities (Members' Allowances) (England) Regulations 2003, town and parish councils may choose to pay their members an allowance from that town or parish council's budget, to recognise the time and effort they put into their parish duties. There is however no obligation on town and parish councils to pay such allowances. Each town or parish council may make an allowance available to its chair only, or to each of its members. Where all members receive an allowance, the amount payable to the chair may be different to that paid to other members, but otherwise the amount shall be the same for each member.

The Panel will use the information provided to produce a report setting out its recommendation as to whom a basic allowance should be paid and the level of the allowance. Ultimately however, it is for each town and parish council to decide if they wish to pay a basic allowance but in doing so they must have regard to the recommendations of the Members' Allowances Panel.

If a town and parish council chooses not to pay a basic allowance, they may alternatively pay their Chairman an allowance, which they think is reasonable for the purpose of enabling them to meet the expenses of their office, under with Section 15 of the Local Government Act 1972.

The Panel would like to thank you in anticipation for taking the time to complete this questionnaire and would be very grateful if responses could be returned by 24 November 2019.

Further Information

If you would like any further information or require this survey in an alternative format please contact:

Sarah Baxter
Democratic Services Manager
Email: sarah.baxter@eastriding.gov.uk

Data Protection

The information you provide in this consultation will be anonymous and kept confidential by East Riding of Yorkshire Council in accordance with the [Data Protection Act 2018](#).

To see the privacy notice related to consultation please see the [consultation privacy notice](#).

The Council uses SmartSurveys software to create and administer the majority of its surveys. Please visit the [SmartSurvey privacy policy](#) for more information.

Please provide the name of your Town/Parish Council? *

Does your Council wish to pay a parish basic allowance to its Chairman under The Local Authorities (Members' Allowances) (England) Regulations 2003?

Yes

No

What would your Council feel is a reasonable annual amount?

To help the Panel understand the time, commitments and workloads involved, approximately how many hours per week does the Chairman spend on Council business?

Does your Council pay its Chairman an expenses allowance under Section 15 of the Local Government Act 1972?

Yes

No

If yes, how much is the allowance in the current year?

Does the Council wish to pay a parish basic allowance to each of its members?

Yes

No

What would your Council feel is a reasonable annual amount?

To help the Panel understand the time, commitments and workloads involved:

How many Council meetings does the average member attend each year?

How many Committee and Sub Committee meetings does the average member attend each year?

What is the average length of a meeting?

Do you have any other comments or points you would wish the Members' Allowances Panel to take into consideration when making its recommendations for a Scheme of Allowances to Parish and Town Councils?

ETTON PARISH NEWS

Community Speed Watch

Community Speed Watch allows residents to become police-trained volunteers, monitoring vehicle speeds in their communities with the aim of changing the behaviour of road users who drive above the speed limit.

Police and Crime Commissioner Keith Hunter said: "Communities tell me time and again how this inconsiderate behaviour blights their lives and how they want to help the police to reduce it. It relies on volunteers coming forward who want to make a difference in their village and we will work with them to make their community safer and stronger for everyone living there."

- Do you think that the drivers speeding is a persistent problem that blights Etton?
- Would you give up a few hours of your time every month to help the police do something about it?
- Get in touch to find out more! Unless people are willing to help things are unlikely to change.

Help to Keep Etton Tidy

Etton is a really picturesque village, but without a little care and attention its easy for it to lose its shine. The Parish Council is asking for everyone's help to keep the village neat and tidy. Are you a keen gardener or are you willing to help out here and there? If you are able to spare a few hours every couple of months, we would love for you to volunteer to be part of a team that helps tidy, trim and maintain some of the public spaces in the village. If you are not able to help in this way, could you look closer to home? Could you tidy the verge outside your house? Or clear the moss on the pavement or the leaves from the gullies? Are you hedges kept nicely trimmed? Every little helps!

To put your name forward for any of the initiatives raised in this newsletter, please email ettonpc@outlook.com or call 07932 016856.

ETTON PARISH COUNCIL NEWS

Etton Parish Council

Please get in touch if you have any issue you would like to raise, or join us at any of our forthcoming meetings on the 13 January and 9th March. Councillors John Holmes (Chair) - 810797, Stuart Bell (Vice Chair)- 810669, Moira Armstrong - 810667, Sarah Gibbs— 810563, John Sleight - 810281, Richard Stott—07979 850907, Andrew Widd - 07976829911, Michelle Wright—810353 Richard Yeo — 810459. Clerk—Alan Bravey, 07932 016856, ettonpc@outlook.com

Village Pond Refurbishment Update

More than 50 residents replied to the village consultation in support of taking action to improve the village pond. This is a great response—thank you. The proposals include replacing the willows with more pond friendly trees and desilting the pond. Any works will far exceed the Parish Council budget and require Heritage Lottery funding. We need to be able to demonstrate community support to have any chance with the application. We are developing some more detailed proposals and will be asking for your views again—keep an eye out for further consultation and let us know what you think!!

Artist's Impression

Report Incidents on B1248

The Parish Council have repeatedly raised concerns with East Riding of Yorkshire Council about unsafe overtaking on the B1248. We would like to ask all residents to report any near misses or collisions so we can keep a log of evidence to help build our case. You can report near misses using a form on our website www.ettonpc.org.uk.

Community Emergency Plan

In the last edition we said we were updating our Community Emergency Plan and asked people to get in touch if they were willing to help their friends and neighbours in an emergency—for example door knocking, making tea at the Village Hall, etc. Thanks for the offers of support received so far - if anyone else wants to help please do get in touch.

Coming up at the Processed Pea.....

- 2nd and 3rd December—Henry Priestman and Men & support Flossie Malavialle

Tickets available from wegottickets.com or from Stuart on 01430 810669.
