ETTON PARISH COUNCIL

10 January 2022

PRESENT: Councillors Holmes (Chairman), Bell, Riding, Sleight, Stott, Ward, Widd and Yeo.

Ward Councillor Greenwood for agenda item 3/22.

Apologies were received from Councillor Horton.

There were 2 members of the public in attendance.

The meeting was held at Etton Village Hall.

1/22 DECLARATIONS OF INTEREST – There were no declarations made.

2/22 MINUTES OF PREVIOUS MEETING – Resolved – that the minutes of the Parish Council meeting held on the 8th November 2021 should be approved as a correct record and signed by the Chairman.

3/22 WARD COUNCILLOR UPDATE – The meeting discussed complaints made by residents regarding speeding at the east end of the Village. East Riding of Yorkshire Council had agreed to install speed monitoring equipment in the new financial year. Councillor Greenwood offered to lend support if required.

4/22 ACTION LOG UPDATE – Funding for the defibrillator at Low Gardham had been secured, although not yet confirmed, through the Cadey Foundation following a donation by the Humber Emergency Planning Centre. The Pond Sub-committee was due to meet later in the week, but was still finding contractors unwilling to quote due to other work commitments. Councillor Yeo had compiled information from resident's living memory on the historical commercial uses of current Etton residential buildings for the Blue Plaque project. However, despite extensive local research, it had not been possible to confirm the data from historical records, or to go back further in time. It was possible, but unlikely, that some information would be available at the National Archives. It was agreed that the existing knowledge gathered would be preserved by capturing on maps provided by Councillor Stott, with a view of sharing on the website, or creating an infographic, possibly launched as a Jubilee event. The bus stop litter bin had been replaced and re-sited. Councillor Stott had written to the estate asking for their permission to relocate the village beacon to the field near to the pond. Councillors Widd and Sleight felt that they would be able to move the beacon if approval was given. The proposed pub night had been scoped but postponed due to the current COVID wave. An application had been submitted to East Riding of Yorkshire Council to register the Light Dragoon as a community asset and the owner had also been informed. The recent newsletter and word of mouth had helped raised the membership of the community whatsapp group to 40 people. The Christmas tree lighting had been very well attended. It was agreed to bring forward the Village Picnic to coincide with the Platinum Jubilee extended Bank Holiday weekend, and to apply for ERYC funding to provide refreshments. Councillor Sleight offered the use of his barn and it was agreed that volunteers would be sought from community to help coordinate the event. There had not yet been a reply from the ERYC enforcement officer on the issues raised regarding 40 Main Street. ERYC had advised the all the Parish street lights would be fitted with LED bulbs at some point, and that the Parish Council could accelerate this programme but there would be a financial cost. It had been agreed to install one LED by the Light Dragoon as a test. ERYC had also said they would price up the cost of installing the two spare columns, and it was agreed that quotes should be obtained to fill the gaps by the Light Dragoon and at the West End of the Village.

5/22 PARISH COUNCILLOR UPDATES – Residents at 94 Main Street had advised that the dead tree would be removed within the next couple of weeks. A resident had commented that parking on grass verges was causing some to become very worn and muddy, and was blocking pavements. It was agreed to include this in the next newsletter. There had been an increase in dog fouling near to the Light Dragoon pub and it was agreed to raise this in the WhatsApp group.

6/22 CORRESPONDENCE – Resolved – i) that the following correspondence should be received by the Council:

- a) ERYC, Planning Approval - Fell 1 no. Copper tree due to outgrowing current location.
Location: 67 Main Street Etton
- b) ERYC, Advice that Plan B restrictions do not allow virtual parish council meetings
- c) ERYC, Consultation of the Rights of Way Improvement Plan
- d) Resident, Complaint regarding the speed of traffic at the East of the Village
- e) ERYC, Availability of funding available to support work with young people aged 9 to 18 (19 to 25 SEND).
- f) Resident, Complimenting the Village Xmas Tree
- g) Resident, advising of a damaged catch on Church Walk Gate.

and ii) that the Council would record its thanks for the resident who had agreed to repair the Church Walk gate and to fix the WW2 plaque to the War Memorial.

7/22 - TO AGREE ACCOUNTS FOR PAYMENT – Resolved – i) that it be noted that the following accounts had been passed for payment:

- Councillor Holmes, Dog Fouling Sign Expenses - £63.83, and

ii) that the following accounts be approved for payment:

- Clerk, December Salary - £53.96
- December PAYE - £35.60
- Cllr Holmes, Xmas Tree / Lighting expenses - £200

8/22 – 2022/23 BUDGET AND PRECEPT – Resolved - That the proposed budget for 2022/23 should be approved, and the precept set at £5716.87, which represented a 0% increase for residents.

9/22 – ITEMS FOR NEXT PARISH COUNCIL – Resolved – that the next meeting of the Parish Council would take place at 7:30pm on 14th March 2022, and that start time should be brought forward to 7pm if external speakers from on an open village weekend in Etton, and pre-planning consultation on affordable housing, wished to attend.

This Charter is the result of the Town and Parish Council Communication Review Panel's first recommendation, and its purpose is to encourage fruitful, efficient and candid communication between town and parish councils and East Riding of Yorkshire Council. The Charter draws readers' attention to the fact that we are all, ultimately, here to serve the same residents, and that signatories are committed to working together to serve them as well as we can. However, the Charter also acknowledges that there are differences between our councils, and that we can work together most effectively if we can be aware of and account for those differences. During the last 20 months we have worked closely together to get key messages out to our residents as we have all battled against COVID, and I am sure there is more we can do to improve communication and services for our residents as we move forward. I hope that your council will join ours in adopting the Town and Parish Council Charter."

Beverley and Rural Ward – December 2021

Crime & ASB

Detailed crime and ASB data for your area can be obtained by visiting www.police.uk and following the 'Find your Neighbourhood' link.

1. What's happening in Your Area

Criminal damage reports - Just two reports made across Beverley Rural Ward during December, the victim of one heard two loud bangs on her front door and upon investigation saw a male in dark clothing running towards Mill Lane in Leven, upon inspection of the door there is a crack to the lower part. A beehive within victims field in Bishop Burton has its lid removed, pushing over the hive exposing bees to the cold causing the hive to start to die off as a result, suspect also steals money from the honesty box from selling honey.

Burglary reports – Two reports made during December, a detached empty property in Cherry Burton has been entered and an untidy search has been conducted, unknown if anything stolen from within. A detached bungalow was entered in North Newbald after unknown persons have kicked the glass panes in the back door and turned the key that was in the lock to gain access. Once inside persons have entered all of the rooms and opened drawers and cupboards removing items and throwing them onto the floor before exiting as per entry method.

Anti-social behaviour – There has been one ASB log with words of advice given.

2. Ward Priorities for January 2022

Tickton Bridge ASB

Due to the regular hi vis patrols in the area and Council led PSPO we have had no further calls for service during December, this is also due to a change in the weather. The Neighbourhood Policing Teams tasking has been removed and will be reviewed in the Spring.

Leconfield Barracks

During the next few months our patrols will continue to check ASB hotspots the personnel frequent such as car parks and the Westwood and engage with them where we can and where it presents deal positively using ASB / Criminal frameworks. Checks on late turns have not identified any issues so far.

Hare Coursing

Neighbourhood Policing Teams will continue to make hi visibility patrols to the BEVERELY Rural areas required and assist Op Galileo as and when needed throughout the coming months.

Flemingate/Beverley Leisure Centre

Patrols will continue to conduct taskings around the Beverley NPT to support the other Beverley NPT areas, especially Flemingate and the Beverley Leisure Centre throughout January.

Tickton/Walkington Meetings

Parish Council meetings at Tickton and Walkington have been attended in December with no reported issues. Patrols will continue to attend meetings when further dates are announced.

Crime Prevention Advice

Preventing Residential Burglary

Burglaries can often increase during the long darker nights in the winter months.

Crime prevention doesn't have to cost a lot of money – taking simple measures such as locking your doors and windows, not leaving valuables on display and using your alarm can significantly reduce your chances of being a victim.

Burglars are often opportunistic thieves who prey on houses, garages, sheds and outbuildings. They seek out any opening that they can take advantage of, specifically doors and windows that are left open or unlocked or are easy to force.

Please follow a security routine and check windows, doors and vehicles are secure before settling down for the evening. Visit our website for further advice www.humberside.police.uk/information-advice Please continue to report suspicious activity to the Police on 101 and in the event of an emergency – call 999

Action

During the winter months, members of the Beverley Policing Teams will continue to be out and about providing residents with advice on home security.

Drug dealers usually operate from busy locations to supply drugs to buyers. Things to look out for are:

- Increased traffic from cars and pedestrians that only stops for short periods.
- Activity or noise that is heavier at weekends, late at night or around paydays.
- People loitering around a property during periods of heavy traffic.
- People waiting in cars before or after visiting a property.
- People parking around the corner or a few streets away and approaching on foot.
- Money or parcels being exchanged through windows, letterboxes or under doors.
- Small packets being exchanged for money
- Debris including tin foil, small plastic bags, 'wraps', blister packs or syringes.

1. Preventing Residential Burglary

Burglaries have increased during the last three months with further reports across the East Riding in February where vehicle keys had been taken from within the property and used to steal the victim's vehicle.

There are plenty of simple steps motorists can take to prevent becoming a victim of Hanoi-style burglaries... parking your car in a garage if possible, keeping car keys out of view and easy reach, locking doors and windows, and using a wheel clamp."

Humbly Grove Police also advise keeping valuable property hidden from view and making sure that lights are left on at various times, to give the impression that someone is home. In addition to this, particular emphasis is placed upon the need for reliable and effective house alarms, secure door locks, windows containing locks and CCTV systems in place, where possible.

As we enter Spring, our Policing Teams will continue be out and about providing residents with advice on home security.

TOWN AND PARISH COUNCIL CHARTER

Introduction

Town and parish councils in their current form have existed since 1894. Town and Parish Councils in the East Riding represent their local communities and, together with East Riding of Yorkshire Council, work in the interest of the people and communities of the area. Town and parish councils and East Riding of Yorkshire Council each have different powers, duties and responsibilities, but it is important that they work in close partnership to improve social, economic and environmental wellbeing in the East Riding.

This charter has been written in response to a desire for closer working relationships expressed both to and by East Riding of Yorkshire Council's Town and Parish Council Communication Review Panel (2019). It seeks to strengthen the relationships between town and parish councils and East Riding of Yorkshire Council by setting out their shared aims, values and understanding in order that work between the two tiers of local government in the area are characterised by professionalism and mutual respect.

Shared Aims

Every council in the East Riding:

- is democratically constituted to serve and represent its residents;
- wants to serve its local community to the best of its ability;
- wants to use its powers to make a positive difference to local people's lives;
- endeavours to work with other councils, public sector organisations and local businesses in service of local communities.

Shared Values

- selflessness;
- integrity;
- objectivity;
- accountability;
- openness;
- honesty;
- leadership;
- professionalism;
- mutual respect;
- inclusion;
- directness.

Shared Understanding

While there are similarities between the services delivered by councils in the East Riding, the combination of services offered by each is different. Many residents do not understand this at the first point of contact but, ultimately, each council will recognise that they serve the same residents and will help them to speak to the right person to address their needs. Before East Riding of Yorkshire Council suggests that a resident contact their local town or parish council, its officers will check the relevant council's website to consult its list of offered services.

Different, too, are the services offered by East Riding of Yorkshire Council. While East Riding of Yorkshire Council delivers some services which are similar to those offered by town and parish councils, its services are delivered and prioritised on a different scale, taking into account the whole of the East Riding. This can cause differences in perspective between East Riding of Yorkshire Council and town and parish councils in relation to issues such as planning and the prioritisation of repair and maintenance works. Every council in the East Riding will maintain an awareness of its own priorities and those of other councils in relation to all matters it deals with. The term, 'mutual respect', is used in this charter to mean that each type of council, while undertaking different duties at different scales, will recognise that any other council should be treated as equal.

Shared Values

- selflessness;
- integrity;
- objectivity;
- accountability;
- openness;
- honesty;
- leadership;
- professionalism;
- mutual respect;
- inclusion;
- directness.

Communication and Respect

East Riding of Yorkshire Council and town and parish councils need to communicate efficiently to ensure that each is providing the best possible service to residents and to one another. East Riding of Yorkshire Council appreciates that the main point of contact with a town or parish council is likely to be the clerk, and that many clerks are employed for a limited number of hours. East Riding of Yorkshire Council will endeavour to respond to clerks' enquiries quickly, and town and parish councils will, where possible, address their enquiries digitally so that communication can be efficient, measurable and not reliant on everyone involved being available at the same time. East Riding of Yorkshire Council will communicate in 'plain English', avoiding the use of technical terms without proper explanation, and it will explain its responses and decisions.

Sometimes, it is important to meet one another in person. East Riding of Yorkshire Council will hold town and parish member network meetings across the East Riding in order to facilitate discussions between town and parish councillors, clerks, ward councillors and council officers about issues relevant to the East Riding and to local communities. East Riding of Yorkshire Council will welcome town and parish councillors and clerks to observe any of its public meetings, and town and parish councils will welcome their local ward councillors to their public meetings. Town and parish councils will endeavour to attend meetings that are relevant to them and to engage with East Riding of Yorkshire Council's consultation processes.

Ward councillors are recognised as important conduits for communication between East Riding of Yorkshire Council and town and parish councils. Councillors at both the ward and parish tiers are committed to working effectively with one another for the benefit of local residents.

East Riding of Yorkshire Council and town and parish councils understand that, despite their best efforts, individual councils may remain unsatisfied with certain outcomes or decisions. Town and parish councils will make use of East Riding of Yorkshire Council's complaints and feedback systems and relevant appeals processes to highlight their concerns. East Riding of Yorkshire Council will treat complaints seriously and respond to them according to the timelines agreed in its procedures. In order to avoid this sort of situation, this charter promotes 'directness' as one of its shared values. What this means is that each type of council will be candid with the other; open and frank in its reasoning.

While each council in the East Riding has adopted codes of conduct, according to which its members and officers are held accountable, this charter seeks to go further; to encourage an active effort to cultivate positive, forthcoming and productive relationships between councils. Representatives of all councils in the East Riding will address one another with respect and in accordance with the shared values set forth in this charter.

Shared Values

- selflessness;
- integrity;
- objectivity;
- accountability;
- openness;
- honesty;
- leadership;
- professionalism;
- mutual respect;
- inclusion;
- directness.

Managing the Charter

The aim of this charter is to make sure that East Riding of Yorkshire Council and town and parish councils are committed to working together effectively for the benefit of all residents of the East Riding. This final version has been written following a period of consultation with town and parish councils, but East Riding of Yorkshire Council continues to welcome feedback on the effectiveness of this charter. The charter will be reviewed, taking into account any feedback received from town and parish councils, at least once every four years.

We, the undersigned, commit to working together in accordance with this charter:

Caroline Lacey
Chief Executive of East Riding of Yorkshire Council

Councillor Jonathan Owen
Leader of East Riding of Yorkshire Council

Councillor
Chair of _____ Parish/Town Council
