# Safeguarding is everybody's business

# ERSAB NEWSLETTER

## in brief...

### Driffield Show

ERSAB took part in its 2<sup>nd</sup> show in July. Contributing to the ERYC adult services stand is important as it provides an opportunity to engage with the public, raise the profile of the Board and inform members of the public on adult safeguarding issues.

### Crisis Pad

In July ERSAB members were provided with a presentation from Humber Foundation Trust on the recently launched crisis pad which is operated by Humbercare Ltd and offers people experiencing mental health crisis or distress access to a calm, safe environment providing support or therapeutic interventions.

Welcome to the **East Riding Safeguarding Adults Board (ERSAB) Newsletter**. This newsletter focuses on providing information to safeguarding professionals and volunteers about the work of the Safeguarding Adults Board in the East Riding. However links to national topics will still be included when relevant.

## LGA Adult Safeguarding Peer Challenge - update

In 2016 East Riding of Yorkshire Council requested that an Adult Safeguarding Peer Challenge of its services and the ERSAB be undertaken.

The review, which took place in February 2017, used the LGA Adult Safeguarding Improvement Tool and a LGA associate to manage the process. The aim of the review was to seek an external view on ERYC and partners' ability to safeguard adults in the East Riding of Yorkshire; the review found:

**East Riding of Yorkshire Council and partners can be justifiably proud of the strengths that have been identified with regard to leadership of the SAB working across organisations and developing and renewing the safeguarding strategy.**

Findings of the team were listed as either strengths or areas for consideration.

**"East Riding are engaged and forward thinking"**

Notable areas of **strength** were:

- ERYC demonstrate a high level of commitment to safeguarding.
- The SAT demonstrate strong team ethos and are enthusiastic, committed and supportive.

- SAB reporting, challenge and accountability are well established and well used.
- Strong evidence of family and carer involvement.

**"Prevention is what it is all about"**

Suggested **areas for consideration** included:

- Improved community engagement with a consistent hearing of the voice of the service user.
- While the need for MSP is recognised it could be further embedded in all front line settings
- Feedback of outcomes need to be more consistently provided to the source of the concern.
- Learning from SARs could be disseminated more widely.

**"Safeguarding is always a learning journey"**

Following the publication of the report, The Council is now using the findings of this peer challenge as a marker on its improvement journey and an action plan has been devised which will provide a framework for the monitoring and recording of this progress.

To access the Peer Review Report in full please visit the "about us" page on [www.ersab.org.uk](http://www.ersab.org.uk).

# SAFEGUARDING ADULTS BOARD BUSINESS

## Who is ERSAB?

The Safeguarding Adults Board meet on a quarterly basis to gain assurance from partner agencies that local safeguarding issues are addressed in an effective and proportionate manner. The Board is supported by a number of sub-groups.

The work of the SAB and its sub-groups is facilitated by a small by a small support team and can be contacted on 01482 392092 or [sab@eastriding.gcsx.gov.uk](mailto:sab@eastriding.gcsx.gov.uk).

## Update on meetings

A **Safeguarding Adult Board** meeting was held in July. A presentation was provided by a representative from Humber Foundation Trust on the Mental Health Crisis Care Concordat to ensure the SAB is fully sighted on the issues concerned A presentation was also provided by the Care Quality Commission who gave an overview of the new structure and inspection framework.

The ERYC Housing, Transport and Public Protection representative provided an anonymised service user story detailing domestic abuse of an older person. A discussion followed on the on the use of the Vulnerable Adult Risk Management (VARM) protocol in these circumstances.

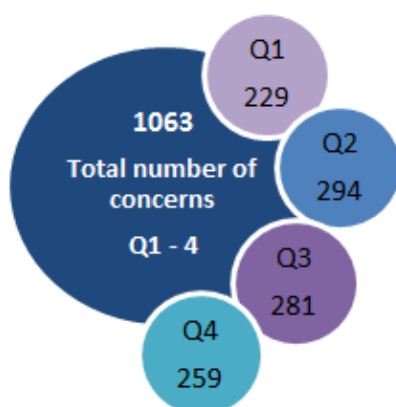

Follow up actions from the recent peer and ERSAB performance reporting were other key items.

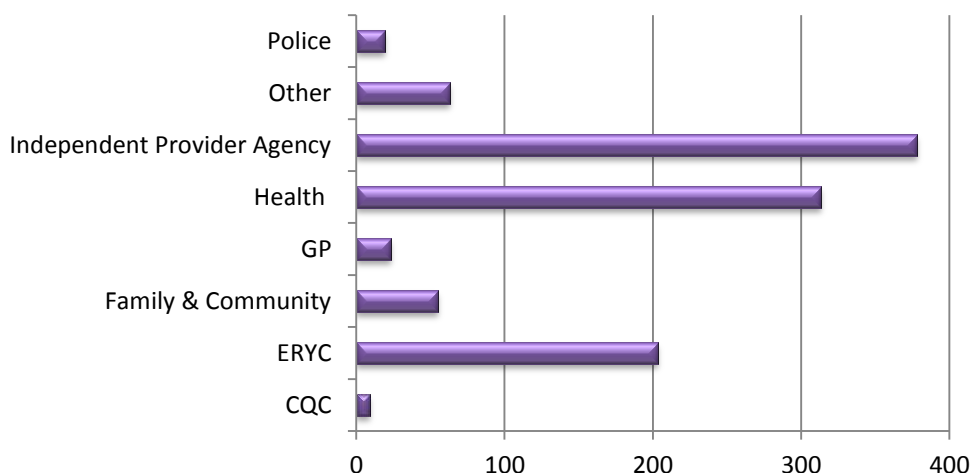

The **Business Implementation Group** took place in August; the main agenda included the development of Person in Position of Trust (PiPoT) guidance for the SAB ERSAB performance data and Making Safeguarding Personal remain key pieces of outstanding work for the BIG.

## ERSAB Performance

### Total number of concerns received for 2016/17

### Source of safeguarding concerns for 2016/17

## Supporting Adults at Risk of Harm to Stay safe

East Riding Voluntary Action Service (ERVAS) and ERSAB are working together to make a new service available to the Voluntary and Community Sector within the East Riding. This new service will support community and voluntary groups with training for staff and volunteers as well as providing a support/consultancy service with regard to your internal Adult Safeguarding procedures.

The service will go live from Monday 2<sup>nd</sup> October 2017. Details of training opportunities and other services will be made available as they come on line; for more information about the service contact [trevor@ervas.org.uk](mailto:trevor@ervas.org.uk).

## e-Learning Level 1

ERSAB has just relaunched its e-Learning module. Please click on the link to access this method of training  
[www.ersab.eastriding.gov.uk/ersab-elearning/](http://www.ersab.eastriding.gov.uk/ersab-elearning/)

### Training Courses

Level 1 (3 hrs)

#### Recognising Adult Abuse

Level 2 (3 hrs)

#### MCA 2005

Level 2 (3 hrs)

Tel: (01482) 396940

## Training Issues

Each newsletter we are going to focus on one particular type of abuse and this month we are looking at neglect and acts of omission.

### NEGLECT AND ACTS OF OMISSION

#### The safeguarding duties apply to an adult who:

has needs for care and support (whether or not the local authority is meeting any of those needs) and is experiencing, or at risk of, abuse or neglect and as a result of those care and support needs is unable to protect themselves from either the risk of, or the experience of abuse or neglect.

#### Neglect and acts of omission can include:

Ignoring medical, emotional or physical care needs

Failure to provide access to appropriate health, care and support or educational services

Not washing, toileting or dressing someone

Failure to regularly change incontinence pads due to resources, leaving someone to lie in faeces/urine

Poor, neglectful care or practice and failure to provide appropriate skin care management can result in pressure ulcers occurring

Withholding of the necessities of life, such as medication, adequate nutrition (not assisting someone to eat or drink) and heating.

#### Symptoms can include:

Increased poor health and infection

Weight loss

Pressure sores

Becoming angry

Feelings of frustration

Becoming resigned to situation

Death

#### Legislation

Wilful neglect is a failure to act rather than a deliberate act to commit harm.

On 13 April 2015 the Criminal Justice and Courts Act 2015 Sections 20-25 came into force. These sections create two new criminal offences of ill treatment or wilful neglect which apply both to individual care workers and care provider organisations. Previously, prosecutions for ill treatment or wilful neglect could only be undertaken where the victim lacked capacity or was receiving treatment for a mental disorder.

A new offence arises if a care worker ill-treats or wilfully neglects any other individual of whom he has the care by virtue of being paid to provide social care or health care for that person (whether a child or adult). It should be noted that any neglect should be "wilful" and that ill treatment requires a deliberate act or action that is reckless.

The offence carries a maximum penalty of imprisonment of up to five years and/or an unlimited fine.

### Future focus for ERSAB...

A revision of the **Training Strategy** is being progressed. The revision of this strategy will ensure that ERSAB continues to provide a local multi-agency framework within which partners can agree minimum standards of mandatory training and workforce competence, in respect of safeguarding adults at risk of harm.

The Business Implementation Group is currently developing local guidance on **People in Positions of Trust (PiPoT)**

Following Board approval this guidance will be available on [www.ersab.org.uk](http://www.ersab.org.uk).

The **VARM protocol** is also in the process of being revised and a protocol on Hoarding is under development in partnership with Humberside Fire & Rescue Service.

The ERSAB **Annual Report** is scheduled to be published in October 2017.

[www.ersab.org.uk](http://www.ersab.org.uk)

Please visit [www.ersab.org.uk](http://www.ersab.org.uk) to access all relevant information concerned with the safeguarding of adults at risk of harm.

The website provides detailed information on adult safeguarding including the procedure to follow when making a referral, as well as updates and useful information on local and national issues.

The [Policy and Guidance](#) page contains all ERSAB policies and national guidance. Please visit this page to access the latest version of the recently revised **Multi-agency procedures for the safeguarding of adults with care and support needs**.

There is also the [Learning and Development](#) section which now includes the [Safeguarding Adults level one e-Learning level module](#) for the private, voluntary and independent sectors.

### National Information In Brief

#### NHS trust pleads guilty over Connor Sparrowhawk's 'entirely preventable' death

Southern Health NHS Foundation trust apologises and admits breaching health and safety law over failure to keep him safe.

The chief executive of an NHS trust responsible for the care of the teenager who drowned in a bath after an epileptic seizure has said she is 'truly sorry' the organisation failed to keep him safe.

Source: [Community Care](#)

#### 'Flawed' use of Mental Capacity Act key theme in safeguarding adults reviews, report finds

The analysis of 27 safeguarding adults' reviews found issues with poor capacity assessments and an absence of best interests decision-making.

There are 'fundamental flaws' in how the Mental Capacity Act is understood and applied in practice, a report on findings from safeguarding adults reviews (SARs) has concluded.

# "WE ARE WATCHING YOU" DOG FOULING CAMPAIGN

February 2017

Keep Britain Tidy is an independent environmental charity with three goals – to eliminate litter, improve local places and prevent waste.

We understand that we cannot reach our goals by working alone, so we work with businesses, schools, communities, individuals, government - local and national – and other charities and voluntary organisations.

We know that if people care for the environment on their own doorstep – the local park, the street in which they live, the river that runs through their area – then the environment, the community and the individual will all benefit.

How can we expect people to understand and care about global environmental issues if they don't understand the importance of, or care about, their own local environment?

Keep Britain Tidy is a charity with a wealth of experience and expertise. We have been working and campaigning to eliminate litter, improve local places and prevent waste for many years. We want to share that experience and expertise with others, supporting businesses, communities, schools and government.

We fund our work by offering services and expertise to those who can benefit from them, by delivering accreditation schemes for parks, beaches, schools and public spaces and by developing relationships with partners in the corporate sector to support our research and campaign activities.

# ABOUT

Printed on 100% recycled material.

This document was first published in 2017 by Keep Britain Tidy

Copyright © 2017 Keep Britain Tidy

Keep Britain Tidy is a registered charity. No. 1071737.

# “WE ARE WATCHING YOU” DOG FOULING CAMPAIGN

## WE'RE WATCHING YOU... THE BACKGROUND

From the charity's 60 years of experience, Keep Britain Tidy knows what an emotive issue dog fouling is and how much it matters to people. As it is often cited as a key area of complaint and dissatisfaction from residents, we know how much it matters to you too.

That is why we looked for an innovative way to tackle dog fouling and help make positive changes to people's behaviour. Our research showed that some dog owners act irresponsibly when they think they aren't being watched. So as part of our Defra-funded "Social Innovation to Prevent Littering" programme we tested this idea and trialled a way to use it to reduce dog fouling.

## WE'RE WATCHING YOU ... THE EXPERIMENT

We worked with 17 land manager partners, across 120 dog-fouling hot-spot sites to trial this innovative glow-in-the-dark eyes signs. We monitored dog fouling incidents both at the target sites where the signs were displayed and at displacement sites up to 100m away. Overall the experiment showed a 46% reduction in dog fouling incidents.

### SIGN 3

“Positive reinforcement”

### SIGN 4

“Peer influence”

We trialled variations of the sign, all with the same glowing eyes and “thoughtless dog owners we’re watching you” message, but each with a slightly different angle. So whether your authority is currently focused on an enforcement message, or would like to use positive reinforcement or peer influence to make your point, we have different signs to suit your needs. Each sign type showed a greater than 40% reduction in dog fouling incidents.

## WE'RE WATCHING YOU ... THE CAMPAIGN

Now we have done the research, we want as many partners as possible to take part in our national campaign to reduce dog fouling around England. We launched the campaign with over twenty new partners in November 2014 and will continue to roll out the campaign in March 2015.

The press and public have shown great interest as we've launched the campaign, and coverage has included national press (e.g. the telegraph), national TV (e.g. Good Morning Britain and BBC 1), national radio (e.g. Five Live), a range of regional press and wide web/social media coverage.

By taking part in our "We're watching you" campaign you can,

- be involved in a national campaign, with a much wider reach than simply your local area
- use posters that are based on research and have been rigorously tested
- benefit from the PR and publicity around this national campaign
- launch a campaign quickly and easily, that has already shown a 46% reduction in dog fouling.

## WE'RE WATCHING YOU ... IN PARISH COUNCILS AND COMMUNITY GROUPS

As we launch the campaign nationally, we would like as many partners as possible to get involved, but we appreciate that Parish Councils and community groups do not have huge budgets. We've therefore developed a reduced price, smaller campaign package for you.

**The campaign package includes the campaign guidance pack, A3 glow-in the dark correx signs at £25 per sign plus vat (minimum order 10), with signs 3 and 4 available. You can also purchase A4 bin stickers at £5 each plus vat when you purchase the signs. Please note: the stickers cannot be purchased as a standalone order.**

These costs apply to our current stock of signs; supplies are limited so place your orders soon. Simply complete the booking form below and return to us, with a purchase order number or a cheque (payable to Keep Britain Tidy), via [network.enquiries@keepbritaintidy.org](mailto:network.enquiries@keepbritaintidy.org) or Keep Britain Tidy, Elizabeth House, The Pier, Wigan, WN3 4EX.

**Town and Parish Council Name Banks**

LLPG &lt;llpg@eastriding.gov.uk&gt;

Fri 06/10/2017, 11:47

To:ettonpc@outlook.com &lt;ettonpc@outlook.com&gt;;

County Hall Cross Street Beverley East Riding of Yorkshire HU17 9BA Telephone: 01482 393939

[\[www.eastriding.gov.uk\]](http://www.eastriding.gov.uk)[www.eastriding.gov.uk](http://www.eastriding.gov.uk)

Ian Burnett Head of Asset Strategy

Dear Mr A Bravey

**Town and Parish Council Name Banks**

The East Riding of Yorkshire Council has implemented a review with the aim of increasing the involvement of its Town and Parish Councils in the preparatory stages of the Street Naming and Numbering (SN&N) process and when implemented will encourage the use of names with a local or historic significance, or that reflect the ecology of the area.

When a new street name is required, the SN&N section presently liaises between the developer and the Town/Parish Council until a street name is agreed.

Ideally, when a new street name is required, the SN&N section would forward to the developer a Town/Parish Council name bank from which to make a selection. In 2014 the SN&N section contacted all Town and Parish Councils requesting they supply new, updated name banks but which have largely not been updated.

We now request your Council submits a new/updated list of names it feels would be appropriate as street names. Developers will be required to choose names from this approved name bank. No other names will be considered unless in exceptional circumstances and at the discretion of the Address Management Team. The submission of the name bank will eliminate the current consultation period.

Your Council will be notified of those names chosen and given the opportunity to 'top up' the name bank for future developments.

If you do not, or are unable to submit a name bank, the Address Management Team will provide its own names and consider any suggested by the developer. Your Council will then be notified of the decision.

Name banks can be updated at any time and you will receive an email reminder every 6 months to review your current entries. All proposed names will be reviewed by the Address Management Team to ensure they meet the current Street Naming and Numbering Policy Naming Conventions.

When choosing a name (prefix) for a new street please consider the following:

- Preference is given to names which refer to local heritage and landscape features of the local area.
- To avoid confusion, new street names must not duplicate any similar name already in use in the local area.
- Names which relate to developers are not normally allowed.
- Names identifying living persons are not normally allowed.
- Surnames of persons (living or deceased) may be allowed if it can be shown they have or had a connection to the local area where the development is proposed. If the full name rather than the surname of a deceased person is suggested:
  - The person must have been deceased for twenty years or more\*, and
  - Written approval must be received from the next of kin or estate administrators. The Council will give reasonable consideration to applications where this may prove difficult, for example, through the passage of time.
- A variation in the street name suffix will not be accepted if the prefix of the street name is duplicated. For example a request for 'Church View' off an existing 'Church Road' will not be accepted.
- When a new road is an extension of an existing road it will not be given a new street name but properties will be numbered into the existing road unless the new properties do not fit into the existing numbering scheme.
- New streets can be considered for a development of two or more properties, depending on the layout, and following consultation with the Local Street Gazetteer team.
- Street Names will not include numeric characters or punctuation
- Street Names will not be difficult to spell or pronounce
- Any proposed name that the Address Management Team deems inappropriate, offensive and/or misleading will not be approved.

\* English Heritage guidance on their awarding of commemorative blue plaques.

We encourage Town and Parish Councils to propose as many names as possible to create an extensive and diverse list. If we have previously received name

suggestions, these have been reviewed and are available to amend.

We require name bank suggestions to be emailed back to [llpg@eastriding.gov.uk](mailto:llpg@eastriding.gov.uk) by 18/12/2017.

If you have any further questions, please do not hesitate to contact us.

Kind Regards,

**Address Management Team**

Dear Clerk

East Riding of Yorkshire Council's Overview and Scrutiny Committees are keen to hear from town and parish councils who would like to put forward a topic for the committees to consider scrutinising over the next municipal year (2018/19).

The role of overview and scrutiny is to review and scrutinise decisions which affect local residents and make recommendations to support the improvement of Council and external services, such as the NHS, police and fire services.

**Please note:**

- Scrutiny cannot consider parochial matters; topics put forward must be of a strategic nature that affects the East Riding as a whole or a wide area;
- Scrutiny does not deal with individual queries, concerns or complaints nor can Scrutiny get involved in planning application matters.

There are five overview and scrutiny committees and they consider a wide variety of topics covered by the Council and its partners, including local NHS services, Humberside Police, Humberside Fire and Rescue Service and Yorkshire Ambulance Service. Topics looked at over the last year have included urgent care services (minor injury units), community services, mental health, crime and disorder, CAMHS, school funding, flood and coastal risk management, traffic management and parking enforcement to name but a few.

If you would like to put forward a suggestion, please email [scrutiny@eastriding.gov.uk](mailto:scrutiny@eastriding.gov.uk) or telephone 01482 393206 to talk to a member of the scrutiny team. The deadline for submitting ideas is **22 December 2017**.

For more information on scrutiny please visit [[www.eastriding.gov.uk/scrutiny](http://www.eastriding.gov.uk/scrutiny)][www.eastriding.gov.uk/scrutiny](http://www.eastriding.gov.uk/scrutiny).

**Issue 18**  
**October 2017**

## **TACKLING ANTI SOCIAL BEHAVIOUR IN OUR COMMUNITY**

Please find attached issue 18 of our six-monthly updates.

The updates inform you of the interventions used in your area and this one sets out those used between 1 April 2017 and 3 September 2017. I also attach details of the number of calls received by your Anti Social Behaviour team.

Our team has recently taken responsibility for the safe and sound grant scheme to help residents stay safe in their own home. This issue provides more information on the scheme, including how residents can apply. This issue also provides information on the community payback scheme.

We are here to help those who suffer from anti social behaviour and our website provides helpful information on anti social behaviour and what can be done to tackle it:  
<http://www2.eastriding.gov.uk/living/crime-and-community-safety/anti-social-behaviour/>

We rely on information that residents pass on and I encourage you to use our website and report anti social behaviour to Humberside Police on 101 or your Anti Social Behaviour team on 01482 396380.

Thank you

Nigel Brignall  
Manager of the Anti Social Behaviour Team

### **Safe & Sound Fund:**

A pot of money is available to residents across the East Riding to help them minimise the fear of crime by increasing their home security.

The safe and sound scheme, run by East Riding of Yorkshire Council, allows people who may be vulnerable, to apply for additional home security measures such as additional locks for doors and windows, door chains and window alarms.

To qualify, applicants must be aged 60 or over or disabled and be a home owner, private sector tenant or housing association tenant and the combined savings of everyone living in the household must not exceed £5,000.

The scheme is not available to anyone who is council house tenant.

Successful applicants will be entitled to a free home security assessment and the fitting of any security measures.

To apply residents should request an application form by sending an email to [safe.communities@eastriding.gcsx.gov.uk](mailto:safe.communities@eastriding.gcsx.gov.uk) or by calling 01482 396380.

### **How can you help me?**

We can arrange for a qualified contractor to carry out a free home security assessment and fit home security equipment.

### **What additional home security measures are available to me?**

Measures include, but are not limited to\*:

- Additional locks for doors and windows
- Door Chains
- Door viewers
- Window alarms

\*some types of locks and security measures can only be fitted depending on the type of existing windows and doors.

### **How do I apply?**

You can request an application form by sending an email to [safe.communities@eastriding.gcsx.gov.uk](mailto:safe.communities@eastriding.gcsx.gov.uk) or by calling 01482 396380.

### **What is a Safe & Sound Grant?**

The grant is to help minimise the fear of crime by providing additional home security measures to enable residents to feel safer in their home.

### **Who is eligible for help?**

To qualify for assistance applicants must be:

- Aged over 60 or disabled;
- A homeowner or private sector tenant / Housing Association tenant.

Everyone living in the property must not have a bank balance, when added together, of over £5,000.

Further grants will not be made to anyone receiving support from the Safe and Sound grant scheme in the last two years.

### **Community Payback : Requests now need to be made on-line:**

In the Humberside area, over 160,000 hours of community, payback is completed every year by offenders on a community sentence. This equates to approximately £800,000 of free labour provided to local communities as offenders pay back for the crimes they have committed.

Community payback projects range from litter removal to clearing dense undergrowth, and environmental projects through repairing and redecorating community centres or removing graffiti. Offenders usually work as part of a team, monitored by a supervisor, and will work all day with short breaks, although there are some opportunities for individual placement.

The Humberside, Lincolnshire, and North Yorkshire Community Rehabilitation Company Ltd are working closely with the East Riding of Yorkshire Council to make sure that offenders do the things that you want them to do as payback for their offending. We are seeking your ideas for projects to be delivered throughout the East Riding in the future.

To be considered, your project must meet the following criteria:

- it must benefit the local community
- no one must make a profit from the work
- it must be challenging and demanding
- it must be worthwhile and constructive
- offenders must be seen to be putting something back into the community.

We also ask that you provide suitable rubbish bags and organise the collection of any cuttings and waste.

To apply please go to the page below on the East Riding of Yorkshire website:

<http://www2.eastriding.gov.uk/living/crime-and-community-safety/reporting-a-crime/>

# ETTON PARISH NEWS

## Etton Parish Council

We are your local elected representatives and our aim is to help resolve local issues and generally maintain standards for all our village residents. Please get in touch if you have any issue you would like to raise, or join us at any of our forthcoming meetings.

- Councillor John Holmes (Chairman) - 01430 810797
- Councillor Stuart Bell (Vice-Chairman) - 01430 810669
- Councillor Moira Armstrong - 01430 810667
- Councillor Mark Dicconson — 07899 794818
- Councillor Arthur Eggleston - 01430 810583
- Councillor Sarah Gibbs—01430 810563
- Councillor John Sleight - 01430 810281
- Councillor Andrew Widd - 07976829911
- Councillor Richard Yeo — 01430 810459

## Etton Parish Neighbourhood Watch

The Parish Council has been working with East Riding of Yorkshire Council to create a Neighbourhood Watch Group for all of the village of Etton. We will share updates and information on crime prevention through our newsletters, website and Facebook pages.

You may find that you can get a discount on your home insurance as a result of being in a Neighbourhood Watch area.

If anyone is interested in setting up a smaller group, please let us know.

Are you going away at Christmas? Here is some advice on unoccupied properties:

- Always double check that no windows are left open /ajar.
- Don't leave keys in locks of doors or windows, or on window ledges in full view.
- Consider using timer switches for lights. Ideally the lights should be set to come on and off at different times and be placed in different rooms .
- Consider asking fellow neighbours/family to check on your property on a regular basis .
- Ask someone to park a car on your driveway whilst you are away
- Consider installing external sensor lights if you don't have any, especially at the back and side of your home
- Consider locking garden gates to try and deter entry into your rear gardens if that's feasible.

### Contact the Parish Council

Clerk : Alan Bravey

## Vandalised Bench

The bench and bin on Dalton Hill were recently damaged by vandals. The bin has been salvaged but the bench has been destroyed. The Parish Council is working to source a replacement.

## Poor Phone Signal?

In the recent community survey, some residents said they sometimes struggled with mobile phone reception. ERYC has told us that market forces determine mobile phone coverage, but suggested trying Wi-Fi Calling. This is using your own wifi to make and receive phone calls and send texts when there is no mobile phone signal in your house. All the main mobile phone operators provide Wi-Fi calling and provide instructions on their websites on how to turn it on.

## Any other Entry?

East Riding of Yorkshire Council have ordered additional road signage and road markings on the B1248 to help improve road safety. These should be in place by February 2018.

## Henry Priestman at the Processed Pea

Henry Priestman, formerly of The Christians, is heading for his 9th sell out year at the Processed Pea on Monday 4th December at 7:30pm. Limited tickets are available from [wegottickets.com](http://wegottickets.com) or from Stuart on 01430 810669.

## What's on at Etton Village Hall

Enjoy Celtic Christmas Strings (harp and guitar) at Etton Village Hall on 7:30pm, Saturday 9th December. For tickets contact 07903663657 or 01430 810563 or [villagehalletton@gmail.com](mailto:villagehalletton@gmail.com). Keep an eye on the new village hall website [ettonvillagehall.org.uk](http://ettonvillagehall.org.uk) for future events.

## Highways Update

East Riding of Yorkshire Council have ordered additional road signage and road markings on the B1248 to help improve road safety. These should be in place by February 2018. The footpath between Cherry Burton Road and the Church will be resurfaced before the end of March and ERYC has recently installed an additional gully at Warter Road to help reduce ponding.

## Christmas Church Services

Some dates for your diary for Christmas Church services:

- 17th December, 6pm—Christmas Carols and Readings
- 24 December, 4pm—Crib Service
- 25 December, 11am - Communion
